BASEMENT FLOODING PREVENTION SUBSIDY PROGRAM

Terms and Conditions

1. The Regional Municipality of Halton (“the Region”) supports local residents in taking proactive measures to mitigate the risk of basement flooding events through the Basement Flooding Prevention Subsidy Program (“the Program”). These terms and conditions are set out to govern conditions of any support between the Region and the Applicant as part of the Program.
2. Work is defined as any of the following:
 - Disconnection of downspouts from the sanitary sewer system.
 - Disconnection of weeping tiles from the sanitary sewer system and installation of a sump pump system with battery backup.
 - Installation of an Ontario Building Code approved backwater valve. *(Homeowners will only qualify for the backwater valve subsidy if they have demonstrated they do not have any downspout or weeping tile/foundation drain connections to the sanitary sewer)*
3. Completed Work is defined as Work that is fully functional and acceptable under industry standard. Work is only deemed “Complete” upon meeting Ontario Building Code standards and approval by Local Municipal Building Inspector.
4. All Work, and inspection of Work, is to be coordinated by the homeowner.
5. The homeowner is responsible for the on-going operation and maintenance of all equipment installed as part of the Work.
6. The homeowner must sign the Region’s application form and waiver form, releasing the Regional Municipality of Halton from any liability resulting from Work carried out as part of the Basement Flooding Prevention Subsidy Program.
7. Reimbursement will occur upon satisfactory review of the submitted required forms and associated documentation, and the Work being declared Complete. A Cheque will be mailed out within 4-6 weeks of receipt of an acceptable and complete application.
8. The Region will not be held responsible for any maintenance or warranty, with respect to the performance, capabilities, or failures of any work, device, or workmanship related to any Work performed as participation in any part of this subsidy program.
9. The Region reserves the right to accept or reject, at its sole discretion, any application or any part thereof.
10. At any time and for any reason, the Region may terminate the Program and refuse any or all further applications. Any such decisions may be made in the Region’s sole discretion.
11. Failure to meet any or all conditions of the Terms and Conditions may result in application refusal, disentitlement to any subsidy, and/or refusal of future applications to the Program.

INITIAL HERE that you have read
the Terms and Conditions
